PARKING METERS

All downtown city parking spaces are free after 6 p.m. on weekdays, and all day on weekends. Restrictions on handicapped accessible parking spaces still apply.

Many downtown parking meters have pay stations that accept credit cards, bills, and coins. Most meters also offer payment through the Flowbird App or through the Flowbird website, flowbirdapp.com.

The city of Akron has AC Level 2 Electric Vehicle Supply Equipment stations (EV) in the Opportunity Deck (18) | Cascade Deck (7) | and the Akron Center Deck (6). The stations can fully charge most electric vehicles in 4 - 6 hours. The only cost for the user is for parking.
